

13d. Case Management Services (continued)

for case management services which are an integral part of another provider service.

The state assures that the provision of optional case management under this section will be distinguished from any case management services provided as part of its approved Section 2178 Home and Community-Based Services Waiver authorized under §1915(c) of the Act.

The state assures that participants will have the freedom of choice of providers.

TARGET GROUP 7

Target group seven consists of children and adolescents who have been the victim of incest, sexual molestation and sexual assault who:

- are eligible for Title XIX Medical Assistance coverage as categorically needy; and
- are eligible for early and periodic screening, diagnosis and treatment (EPSDT) program.

Case management services for this population consist of the following.

1. Coordination of multi-agency involvement (DCYF, police, courts, medical providers, mental health and social service providers) into the family where sexual abuse has occurred.
2. Activities to assure that the intervention plan developed by the involved agencies furnishes the necessary protection for victims.
3. Activities to assure that all required services are being delivered, and assure that such services are delivered in a timely and effective manner by:
 - a. Participating in the development of the treatment plan;
 - b. Advocating for any treatment needs that have not been instituted;
 - c. Arranging for transportation to assure that services are delivered.
 - d. Helping the family to negotiate systems (welfare, courts, police, DCYF, etc.).

13d. Case Management Services (continued)

OFFICIAL

Qualified Staff

The overall case management program at each provider agency must be directed by a qualified mental health professional as defined in the Rhode Island general laws or by a person possessing equivalent experience in working with the mentally ill or emotionally disturbed in community settings. Each staff member providing case management services, must be a mental health professional with at least an Associate's Degree in the social sciences or equivalent experience or a combination thereof and must receive specialized training including a complete orientation to the community services/agencies in Rhode Island as well as meeting all other requirements specified by contract with the Department of Children, Youth and Their Families.

Assurances

The state assures that payments made for targeted case management services will not duplicate payments made to public agencies or private entities under other program authorities for this same purpose. The state further assures that payment under this provision will not be made for case management services which are an integral part of another provider service.

The state assures that the provision of optional case management under this section will be distinguished from any case management services provided as part of its approved Section 2178 Home and Community-Based Services Waiver authorized under Section 1915(c) of the Act.

The state assures that participants will have the freedom of choice of providers.

Target Group 8

Target group eight consists of eligible individuals under age 21 who:

- are eligible for the Early and Periodic Screening, Diagnosis and Treatment (ESPD) program.
- has been determined to have an elevated screening or diagnostic blood level of greater than 15vgm%.
- age 0 through 6 years or who is developmentally delayed.

Qualified Staff

The overall case management program will be directed by individuals who meet the criteria established by the R.I. Department of Health (DOH). Each
